Standards:
The IWitness Video Challenge

The IWitness Video Challenge activity addresses standards from both ISTE and Common Core.

International Society for Technology in Education's
National Educational Technology Standards for Students (ISTE NETS*S)

1b. Create original works as a means of personal or group expression

2a. Interact, collaborate, and publish with peers, experts, or others employing a variety of digital environments and media

2b. Communicate information and ideas effectively to multiple audiences using a variety of media and formats

3b. Locate, organize, analyze, evaluate, synthesize, and ethically use information from a variety of sources and media

3c. Evaluate and select information sources and digital tools based on the appropriateness to specific tasks

4b. Plan and manage activities to develop a solution or complete a project

5a. Advocate and practice safe, legal, and responsible use of information and technology

6a. Understand and use technology systems

Common Core College and Career Readiness (CCR) Anchor Standards for Reading

7. Integrate and evaluate content presented in diverse formats and media, including visually and quantitatively, as well as in words.

College and Career Readiness (CCR) Anchor Standards for Writing

4. Produce clear and coherent writing in which the development, organization, and style are appropriate to task, purpose, and audience.

6. Use technology, including the Internet, to produce and publish writing and to interact and collaborate with others.

7. Conduct short research projects to answer a question, drawing on several sources and generating additional related, focused questions for further research and investigation.

8. Gather relevant information from multiple print and digital sources, using search terms effectively; assess the credibility and accuracy of each source; and quote or paraphrase the data and conclusions of others while avoiding plagiarism and following a standard format for citation.

College and Career Readiness (CCR) Anchor Standards or Speaking and Listening

1c. Pose questions that elicit elaboration and respond to others' questions and comments with relevant observations and ideas that bring the discussion back on topic as needed.

2. Integrate and evaluate information presented in diverse media and formats, including visually, quantitatively, and orally.

5. Make strategic use of digital media and visual displays of data to express information and enhance understanding of presentations.

College and Career Readiness (CCR) Anchor Standards for Language

1. Demonstrate command of the conventions of standard English grammar and usage when writing or speaking.

2. Demonstrate command of the conventions of standard English capitalization, punctuation, and spelling when writing.

3. Apply knowledge of language to understand how language functions in different contexts, to make effective choices for meaning or style, and to comprehend more fully when reading or listening.
